**Career Overview:** As a cameraman/video producer with ten years experience in the media industry, I have worked on a diverse range of projects ranging from documentaries, to children's DVD products. I have a proven track record of developing new business and motivating a team to consistently exceed targets. I've recently completed a Screen Tasmania Learning Contract and am now seeking a new professional challenge. My aspirations are to be recognized as a professional, and a leader in the industry of arts and media.
