EXPERIENCE

MASTER CONTROL OPERATOR / TECHNICAL SUPERVISOR FOR WTV PERTH

October 2014 – April 2017

As Master Control Operator I was responsible to ensure the correct program went on Air. Scheduling the daily playlist, Uploading the EPG Running the channel 24 hours, I was the first contact for any technical issues

CAMERA OPERATOR AND EDITOR / WTV PERTH AND OBWA

Filming and editing programs such as Undercurrent, Perth City Talks, and Gallery Watch

Camera operator for outside broadcasts, sporting and live events

EDUCATION

Essential Editing 2 Course, Film and Television Institute, Perth WA, May 2015

Certificate III in Spoken and Written English, Stanley College, Perth WA, February 2015

Essential Film Skill 3, Film and Television Institute, Perth WA, March 2014

Associate of Science Degree of Electronics, Tehran, Iran, February 2006

VOLUNTEER EXPERIENCE OR LEADERSHIP

Following a two month volunteer internship scheduling the programs, I then became a volunteer camera operator which led to my being offered employment.

I headed and lead a team of interns and volunteers in all areas of filming and editing various programs.
